Mrs. Foley's Incredible Youngsters

A Trip to The Bowling Extravaganza

Spectacular event! Many thanks to Coach Christopher. Our amazing bowling gym afternoon was enjoyed by all.

For most of the students it was their very first event with rolling a heavy bowling ball down the long alley.

There were strikes after strikes and the boys and girls jumped with excitement each and every time.

Our weekly visit with the First Graders will be ending the last full week of school. This program has been worthwhile for both kindergarteners and their older reading partners. Each week, all students shared their reading within small groups of two or three students.
