June 3, 2010

Dear Parents and Guardians,

Our mammal report presentations are ready for our audiences. Our class presented to kindergarten this week. Students will present to kindergarten and first grade students next week. If you are able to attend a presentation time for students, please let me know so I can arrange for your child to present when you have arrived.

We are inviting parents and other "SPECIAL ADULTS" to come for a special presentation on Friday, June 11, 2010 at 1:30 p.m.

Thanks,

Mary Kempton
