

September News in Kindergarten!

Welcome to our classroom. There is an exciting year ahead for your little person. Kindergarten is a learning world where I strive to make connections and fun go hand in hand. We will begin the school year exploring our surroundings and learning the routine of school. Reading, writing, and math will begin along with studies of Family and Friends & Seasonal Changes. Hold on to your hat, the ride is about to begin!

Housekeeping Notes: Please label jackets, backpacks, etc. - it is so easy to mix up items. As the weather cools, be sure to put a sweatshirt or something in bags. We go out every day. Remember to send a small snack & drink every day. If your child eats breakfast or hot lunch, please try to keep money in their account.

"Book It" - Reading Log: Each month I will send home a reading log. Every time someone reads a book to your child (they will begin reading soon also), write the title down on the attached sheet. At the end of the month send it back. Children will earn a prize for participating!

September 1 (Wednesday): First day of school - Welcome!

September 2 (Thursday): Open House @ Canaan School 6:00-7:00

This is a chance to meet other families, look over our classroom, and explore a bit of what your child's days will be like. We hope to see you!

September 6 (Monday): Labor Day - No School

Firefly Book Orders Due - September 9 (Thursday):

Each month I will send home an order form. Just choose books, add money, & return to me. You are never required to buy, but this is a wonderful way to add books for home or for gifts. Checks need to be made out to Scholastic.

September 10 (Friday): Grandparent's Day Celebrated

Grandparents are invited to join students on the playground during recess, then K & 1 classes are called in to wash & ready for lunch. What a fun way to share a part of their day! More info will follow with times for recess & lunch.

Teacher Workshop Day: September 29 - no school!

Have a great month! Mrs. Tessier
