

October 5, 2011

Hello All,

It is testing time in Ganaan! The class does not seem nervous and everyone is working really hard. We are very proud of these kiddos! Thanks for making sure they are well rested and are ready for the school day.

*We will be holding parent/teacher conferences on October 27th. Progress reports will be sent home prior to conferences so if you have any questions or concerns, you can be prepared to discuss them with us. These conferences are scheduled for 15 minutes, but if you need to meet with us longer just let us know. **Email** or **call** the school to set up your conference.*

If you have been checking Powerschool often, there should be no surprises. The username and password was sent home with your child a few weeks ago. If you can't login or have lost the paper we sent home, please let us know and we will get you another one. If, at any time you have a question or a concern about a grade, let us know immediately. We know most kids are not quick to share when things are difficult for them, so good communication with us is key. Corrected papers go home each Friday. Last week there was a big stack of corrected papers that went home. If you are not seeing those, please ask your child about them. We check emails regularly, so this is the best way to get in touch with us. If you do not email, send in a note or call the school.

Thanks for your cooperation and we will see you soon for conferences.

Sincerely,

Mike Louder and Paula Whitemore
