School Nutrition Program – Meal Charge Cut Off Date

All Parent/Guardians/Students:

As we near the end of the school year, students will be unable to charge meals to their account. This will take effect as of Friday, May 27th, 2011.

All graduating students must pay all charges before Caps and Gowns are distributed. Seniors - please see the School Lunch ladies for more information.

If your child's account has a negative balance, please remit your payment for the balance due to their school. You may contact the school secretary for more information regarding the amount due on your child's account.

Any student's account that has a positive balance at the end of school will be carried over and may be used for the 2011-2012 school year. This balance will be available even if your child has a change of school within our district.

If you have any questions or concerns, please contact Laura Pineo or Ann Barriault at the Central Office: 474-9508.

Respectfully,
Laura Pineo
