

*North Elementary School in partnership with Child Development Services (CDS) and Kennebec Valley Community Action Program (KVCAP) announces Three and Four-Year Old Screening and Preschool Sign-Up Information*

---

“Very talkative; enjoy experimenting with language, delighting in big words, long explanations, bathroom language.....and love being read to” (*Yardsticks: Children in the Classroom Ages 4-14*)

### Three and Four Year Old Screening

Do you ever wonder how your child is developing and whether other children his/her age are doing similar things? Here's your chance to find out!

When: March 28, 2011

Time: Appointments begin at 8:00 AM

What: Child Development Services (CDS) will provide a speech/language therapist, occupational therapist and educators to look at your child's development in these areas. Children will have their height and weight measured. Vision and hearing screening will be provided by North Elementary School nurses. **Preschool applications will be available.**

What to do now: Call **474-2907** and schedule an appointment.

You should plan to be at North Elementary with your child for 60-90 minutes on the day of the screening.
