Buckle Bear Visits Preschool

Buckle Bear is a bear that is visiting preschool. He talked to the children about transportation safety. He told them that the safest way to ride in a car is to sit in the backseat in a booster seat. He also told them a story and gave each child a chance to practice unbuckling and buckling him. The children loved meeting Buckle Bear and practicing buckling up safely.

Family Literacy Day

Preschool children and families are invited to come and participate in a variety of literacy activities including books, games, and art activities. It will be held from 8:30am-12:00pm on November 24th. Breakfast and a snack will be provided. All children must be accompanied by an adult and siblings are welcome. There will be **no** afternoon preschool on this day. Instead, the afternoon families are invited to come in the morning and meet and play with the morning session families. It is a great opportunity for everyone to get to know each other. If you have any questions, please see Ashlee Nickerson or Jessica Bernier. We hope to see you here!
